<p><b>Key:</b></p> <p>Number = Supported the pro-growth position. The number indicates the points earned for that vote or action.</p> <p>A = Did not vote.  P = Voted "Present."  S = The Speaker of the House usually does not vote.  "- " = Voted against the pro-growth position.  IE = Ineligible to vote.</p>	<p><b>Calculation:</b></p> <p>Points are tallied for all actions rated where the member was present and voting or otherwise could have taken an action. After points are totaled, they are divided by the potential points a member could have earned by supporting the pro-growth position.</p> <p>House members were awarded 2 points for not co-sponsoring HR 1276, an anti-growth bill that allows for countervailing duties on any imports from countries considered to be manipulating their currency.</p> <p>Votes 14, 15, 22 and 23 related to funds in response to Hurricane Sandy. Representatives could earn either 6, 3 or 0 points depending on how they voted on all four votes, as the four votes related to each other. The points earned for these four votes appear in the "Sandy Votes Points" column. If a representative voted "Y" on either votes 22 or 23, he received 0 points.
